the dying whale, they can swamp their assailants. who all their lives have "made politics a trade." This is made manifest by the Journal of the 1st instant, and especially by the leading article headed by the query-"Who ought to be our next Governor?" That article would disgrace even Barnett himself. It is a rehash of political slanders, old and new, against Governor Whitcomb. Many of the falsehoods have been repeatedly contradicted and denounced, but the conscientious Journal reiterates them, just on the their way to new quarters, which refutation cannot reach till they have done their villanous work. It will find itself mistaken. The public mind is not in ent, and will be understood by all sensible men, and their pains.
